On 3/27/24, around 5:24 pm, deputies were called to 14968 Ridge Road Brookwood, AL., concerning a male subject being shot. The victim went to UAB with non-life-threatening injuries. The victim stated he was inside his residence when he heard a gunshot. He went outside and observed a white male running to the truck with a rifle, along with a deceased goose in the field across from his residence. The victim and the witness went to confront the suspect. While in a verbal altercation over the goose the victim attempted to get a tag number. The victim stated the suspect vehicle then drove away while the passenger, Jacob Battle, leaned out of the window and shot at him striking him at least once in the leg.

Investigators were able to speak to Battles. Battles stated he told his son to shoot the goose and the victim and witness drove over and confronted him. Battles stated one male walked to the back of the truck and one came to his window. Battles stated he did not see either male with a firearm. Battles stated when the male went to the back of the truck, he did not know what he was going to do so he fired 2 - 3 warning shots towards the ground.

The goose was a Canada Goose and is federally protected.
